Mika has yet to graduate from college but she's an expert when it comes to the school of life. Growing up, she had to raise both of her siblings once her father left home, so she never had time for a boyfriend or any type of rowdy fun. Now that she's away at college in a different state, she's got plenty of free time to experiment with her body and its needs. But this fiery hot tart wants nothing to do with her classmates. She likes nothing more than an experienced, older fuck.

Mika

YOUNG AND EAGER

Older men make Mika scream. Her nipples get so hard she's sometimes scared they'll push her nipple rings out.

This hot fuck
is definitely a
screamer. It's
a surprise her
neighbors don't
hear her wild
panting.

Covered in sweat and cum, this hot piece of ass is always ready to share all of her holes.

Mika is one horny slut. She opens her slit and star and lets her men do whatever they like, how hard they like.

If you like hot young pussy, Mika
is waiting for you.

Star

**BOOTYLICIOUS
BOMBSHELL**

Stara is the definition of bootylicious and she knows it. She always gets stares and she loves it when men turn away from their girls to pay attention to her bodacious curves. She dresses like a bombshell and tries to grab the attention of every man on the street. With delicious-looking buns like hers, it's not hard. At the end of the day, every man is Star's man.

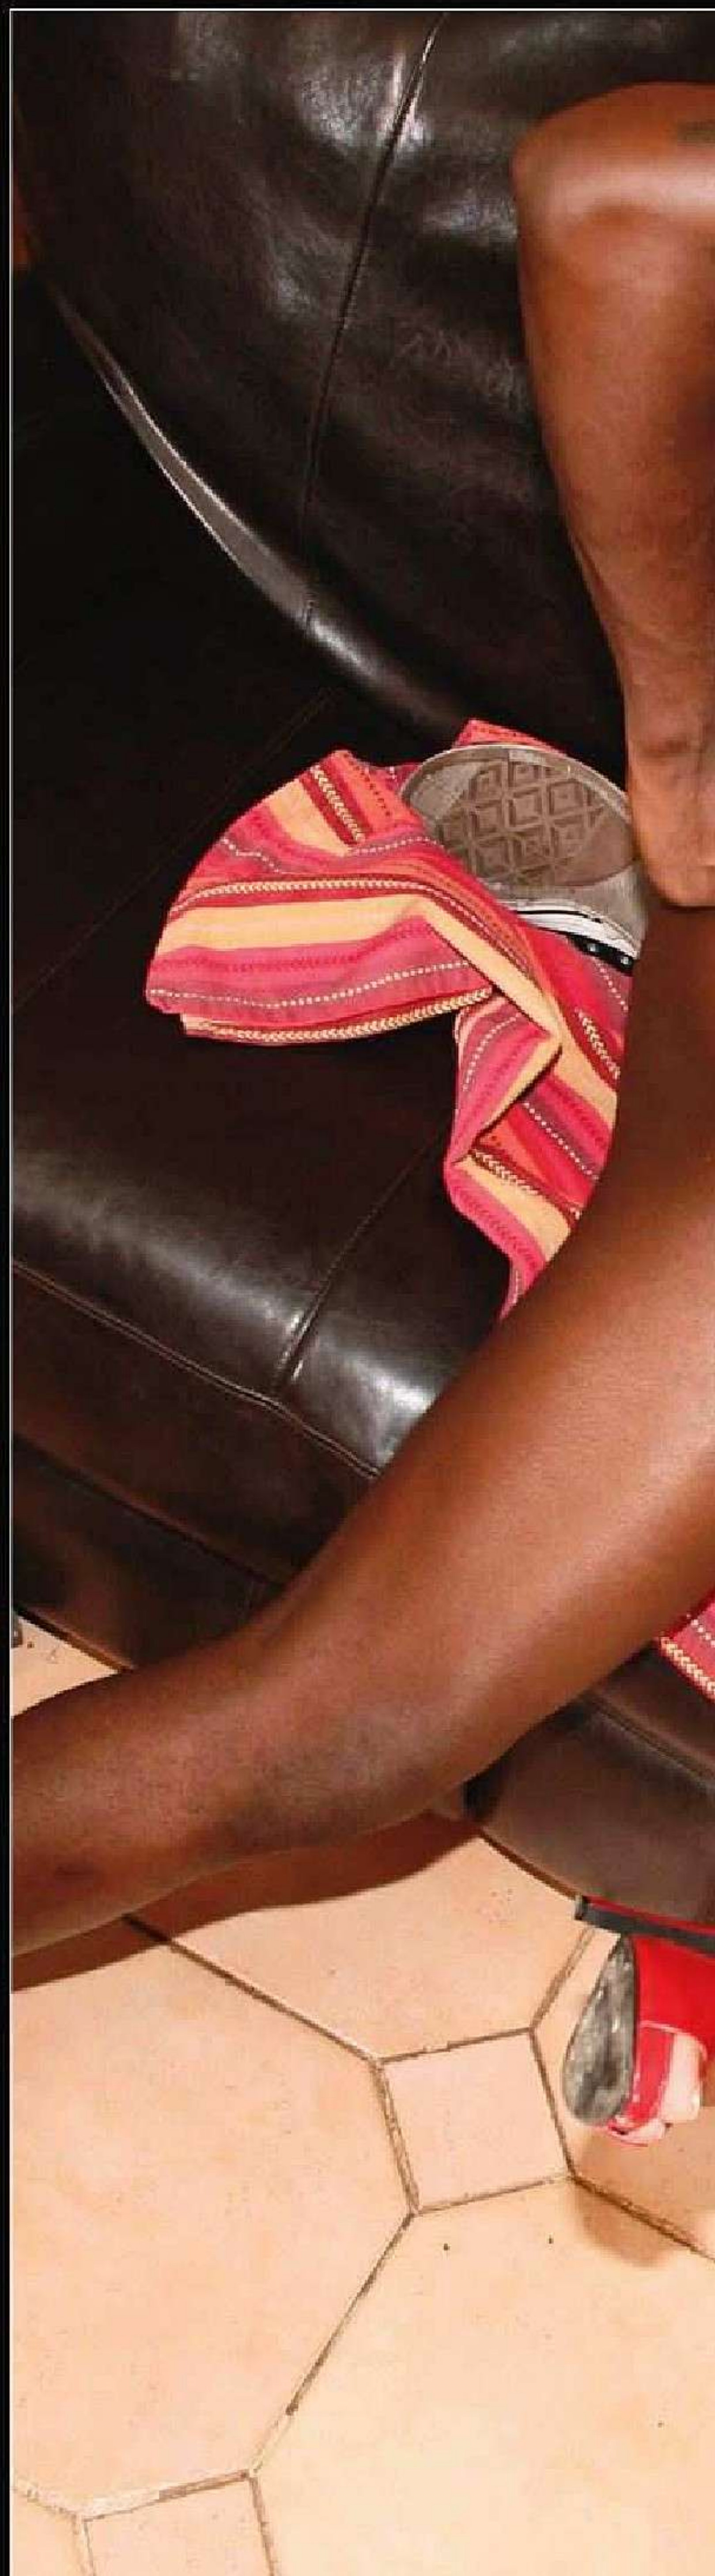

She plays shy but she knows exactly what all men are after.

As soon as she sees a hard rod,
her shy act is over. Star is a
go-getter and all she wants to
get is dark meat.

She likes her back hole stretched to its limits. She takes it in like a pro.

Star's booty is always hungry.
Give her a helping hand.

I walk dogs. I cock bitches.

It started about a year ago, when a girlfriend's Auntie asked me to walk her mutt one night, to tire the pooch out before bedtime. She was too scared to stroll the city streets at night, even with a basset hound escort. But for a big, strong man like myself, it was easy money.

I got a rep, built up a clientele, more canines than I could walk in a month of evenings. And with one customer, Rosalee, and her best friend, I went the extra mile, this dawg going off-leash and animal.

"This is Verdie," Rosalee told me when I dropped by her place to pick up her pooch one night. "I've told her all about you, Leon."

"My, he is built man-sized, isn't he?" Verdie gushed, batting her eyelashes and puckering her lips at me. "I just bet he handles women even better than he handles dogs."

I grinned and shrugged, not quite sure what the old lady was talking about. Both women were in their late-fifties, but pretty well-preserved: dark, velvety skin with not too many wrinkles, big liquid-brown eyes, plush lips, balconies straight out of the Apollo Theater. The pair of them had a real pair of them, both ladies built top-heavy like a couple of mammies.

Verdie's glossy black hair hung down in ringlets, Rosalee's piled up top with perfection. They were wearing their Sunday best to go along with the beauty shop doos – tight-fitting, knee-high dresses with plunging necklines that showed off the incredible ebony depths of their cleavages, every lush

BITCHES IN HEAT

curve on their flesh-packed bodies.

"Take off your shirt, Leon, and show us your muscles," Rosalee urged.

I shucked the shirt, customer satisfaction my forte, flexed a few poses for the women.

They fanned their faces with their fingers, staring. Then Rosalee patted the space of

couch between her and her friend, and I sat down, shirtless.

"Nothing to fear, Leon is here," I joked, looping my long arms around their shoulders and pulling them close.

Bitches fucking attacked me, with a passion that would've done a pair of eighteen-year-old ho's proud. Verdie dropped her curls down and spun her bright pink tongue all around my left nipple, gripping and squeezing my other pec. While Rosalee plummeted one of her hands down onto my crotch, clenched my cock in my track pants, planting her painted lips all over my face.

I was stunned like the time Mrs. Washington's Chihuahua bit me; was just as aroused – with lust, not anger. The two women had loads of experience to go with the tits, used both up against me. Rosalee smacked my mouth with her pin cushion lips, thrust her thick tongue right inside and thrashed it around, pumping my dong up hard in her hot shifting hand. Verdie bit her pearly-white teeth (or dentures) into one of my nipples and sucked on it, her varnished fingernails briskly rolling my other stiffened licorice chest ornament.

The bitches-in-heat made my body and blood howl.

Then my cock was out, and up, in between them. Rosalee inhaled all seven inches of gleaming black steel pole, sucked up and down on it. I grabbed onto her hair and bucked up into her throat. She bobbed her head in my lap, mouth diving deep enough to bounce off my balls, lips righteously wet-vacating.

Then it was Verdie's turn. She pulled her tongue out of my mouth, her nails out of my chest, and grabbed my hard slickened meat from her friend and swallowed me whole, hungry mother. She ferociously sucked on my dong. I groaned, gripping the back of the couch with both arms, watching, feeling. The two church ladies played my pipe organ, sucking, licking, passing me back forth dripping and humming between them.

"Make love to us, Leon!" Rosalee finally whooped at me, spitting onto my cock as Verdie licked up and down. "We want you to make love to us!"

They weren't just barking at the dark side of the moon. They shimmied out of their dresses, showing nothing but skin underneath. Their tits hung low and huge as over-ripe melons on the vine, nipples drooping thick stems. They both leaned back on the couch and spread their legs, showing off jungle moist twats.

I jumped up. They squirmed together. I hefted one of Verdie's legs, stabbed my cap into her bush, speared my shaft into her tunnel. She moaned, giant tits shuddering. I grunted, burning with her oven-hot heat and mine.

The woman was tight and wet as a high school senior. I grabbed onto one of her chocolate milkbags, rutting my dong around in her pussy. She hissed at me, and I put my back into it, flung my hips, fucking the nasty old cunt.

Rosalee wanted in – me in. She reached over and slapped my pumping black ass. Then sat back and shoved up her mambas, lashed the fat glistening tips with her tongue, glaring sinfully at me. I pulled out of Verdie's depths and plowed into Rosalee's steaming swamp pussy.

The woman made her twat suck on my pistoning dong. Sweat burst out of every pore on my body. My flying fucking cock

went hard as rubber cop hose, balls tight as African drums.

I went back and forth between the two sexy old ladies, in and out, over and over. The slap of hot flesh filled my ears, cock filling their cunts in a frenzy. Until Verdie let loose a scream and gushed boiling pussy juice all around my fast-pumping prick. Her tits and body shook crazy with joy.

I yanked my slammer out of her gusher and rammed into Rosalee again, brought that woman off with an equal torrent of hot squirting lady sauce. Her cunt muscles clamped my wildly churning cock even tighter. My own muscles popped, all over my body, as I jerked, spouted inside her; then Verdie. Jolted again and again by good old-fashioned sexual ecstasy. We all slept real well that night.

RIGGED

After finally getting home from a long haul on the road, you'd think I'd be mad to find my wife with a cock up her pussy. But I wasn't. I was damn excited, put the hammer down on wifey's ass.

I got in the door and threw my bag down on the floor, was about to yell out for Denise – she's usually all over me, horny as hell herself after a road trip – when I heard moaning and groaning coming from down the hall. "What the fuck!?" I snarled, instantly balling my fists for combat.

Denise is one hot piece of tail, with long blonde hair and big blue eyes and huge, thick chest bumpers; a slim waist, shapely legs, and a juicy twat. So I'm always ready to fight all-comers to keep her mine.

I stomped down the hall, the moans getting louder and louder. Denise's voice, dripping with passion like I'd heard her a thousand bed-rattling times before. The bitch was close to coming.

I kicked the bedroom door open and bellowed, "That chassis's mine to drive, asshole!"

And then my anger steamed out of my ears and my eyes went from slits to saucers. Denise was getting fucked, all right. She was riding up on top on our bed, naked as a jaybird; riding a big, fat pink cock with her quim. Only the person underneath her, gripping my wife's hanging jugs and staring at me, was a woman – our new next-door neighbor Irene!

"What the—" I mumbled, gaping at the two women.

Irene is a voluptuous redhead with more curves, peaks, and valleys than the road through the Rockies. She had a dildo rigged to her hips, was fucking my wife with it, eye-poppingly naked as Denise.

"I-I just couldn't wait," Denise whimpered, her eyes filling with tears, her plump butt cheeks still churning. "I get so ... lonely when you're on the road, Bill."

I swallowed, hard. The scene was straight out of a truck stop skin magazine – two beautiful chicks getting it on, you there to watch, maybe participate. I moved forward on stiffened legs, over to the side of the bed, stiffened dick bulging the front of my overalls.

"You are one hot-pussied bitch, Denise," I rasped, pretending to be still

angry. I smacked her ass.

"Oh!" she cried, shuddering on top of Irene.

I smacked her ass again, her other ripe cheek this time, and she shuddered a second time, with equal pleasure. Both ladies could see the full-blown erection I was sporting as a hood ornament, and Irene winked at me, started pumping her hips again, fucking my wife's pussy.

I grinned back at the lusty, busty home-wrecker, staring at her big, splayed, creamy-white tits. I whacked Denise's butt with one hand, groped her own melons with the other. She moaned, plunging her hands down onto Irene's knockers and undulating her blushing booty, fucking herself on that dildo in rhythm to Irene fucking her with that dildo.

I smacked Denise's ass harder, making her cheeks burn red, mauling her tits even rougher, urging the pair of women on. I was as hard as the petrified forest in Arizona, hot as the salt flats in Utah.

"Why don't you stick that big, hard cock of yours in your wife's bum?" Irene suggested, her green eyes flashing 'go' for it. "Fuck her butt while I fuck her pussy."

Denise twisted her bobbing head around and glared at me, raw hunger in her eyes.

I gave her bouncing derriere a few more choice swats. Then I stripped off my overalls and t-shirt and underwear, climbed up onto the creaking bed. My cock was a piece of pig iron between my legs. There was no way I could couple my wife's tiny browneye without some form of lubrication.

Irene had thought of everything, the wicked wench. She pulled a small bottle out from under the pillow and tossed it at me. I greased my rod but

good, scrubbed Denise's soft, deep butt cleavage with my slippery digits in preparation.

Then I crouched closer, stuck the bloated tip of my slammer in between my wife's seat cushions. She leaned forward, moaning, twisting Irene's nipples. I squished my cap up against her pucker, popped through, plunged fire-forged steel into her chute.

"Fuck!" I grunted, going all the way in, feeling the incredible heat and tightness all through me.

Irene pumped, I pumped, the pair of us DP'ing sweet Denise. She gasped with delight, rocking back and forth, dong churning her cunt, cock piston-ing her ass. The bed just about broke

in two, Irene and I fucking faster and faster.

Grabbing onto Denise's flopping tits for support, I absolutely hammered her gripping anus, feeling Irene's dildo stretching and stroking her twat on the other side. Denise screamed, shaking with double-barreled orgasm. I roared and poured, blasting steaming seed deep into her tailpipe, staring at the beautiful, bountiful redhead fucking my wife.

I had a long haul at home after that, the loads between my legs enough to handle two women.

Kelly wanted to be a star. She was ready to be a star. Her long nails, large DD tits and round, juicy ass made her the perfect candidate for an X-rated model. Her only problem was she didn't know where to start. She knew she could take the industry by storm, but she had no idea how to get her foot (and boobs, and ass) in the door. When she was introduced to an adult photographer at a house party, she had to take him aside and show him why she was worthy of a job.

Her body turned her on and she knew that showing off her curves could drive men wild for hours.

Kelly's tattoos and piercings hinted at her wild side, but who knew she loved having a cock pushed deep into her throat so much?

Kelly worked her pussy rings until the photographer's rock-hard dick started to tremble inside her.

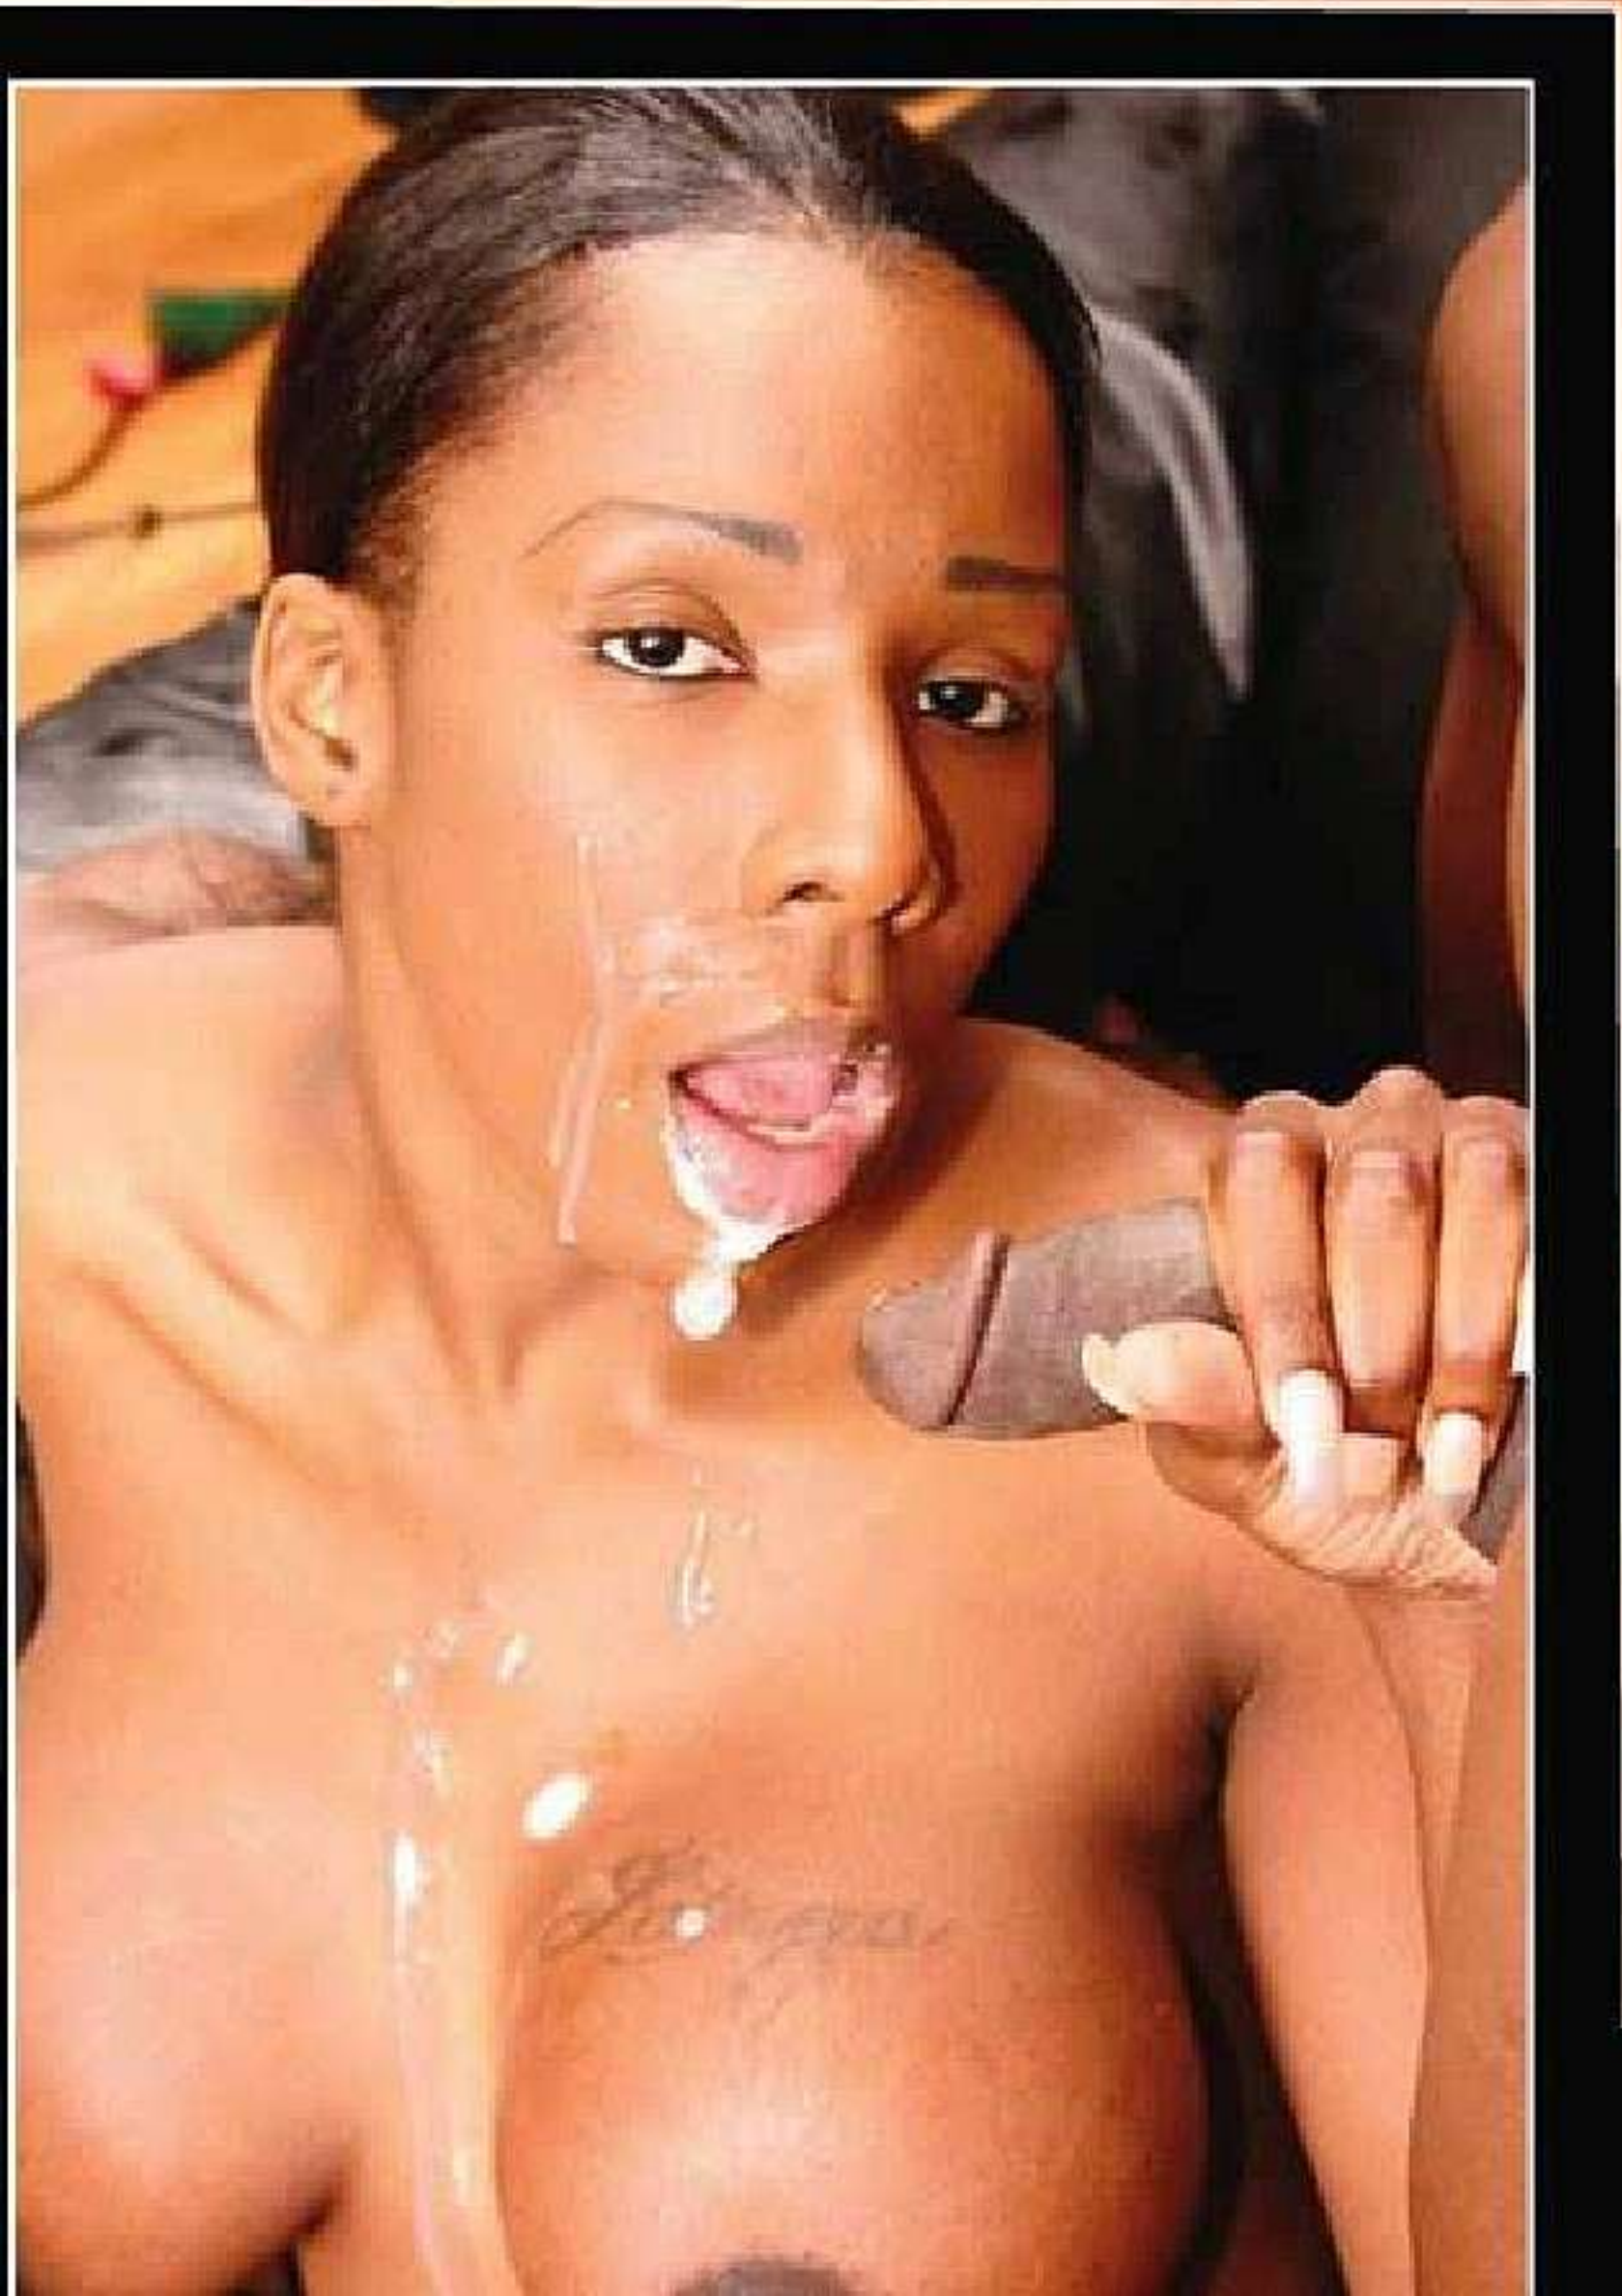

She would do anything for him and he wanted that ass he had been staring at all night. It might be big but its hole is nice and tight.

Is Kelly ready to be a star?
You be the judge.

Ashley Brooks

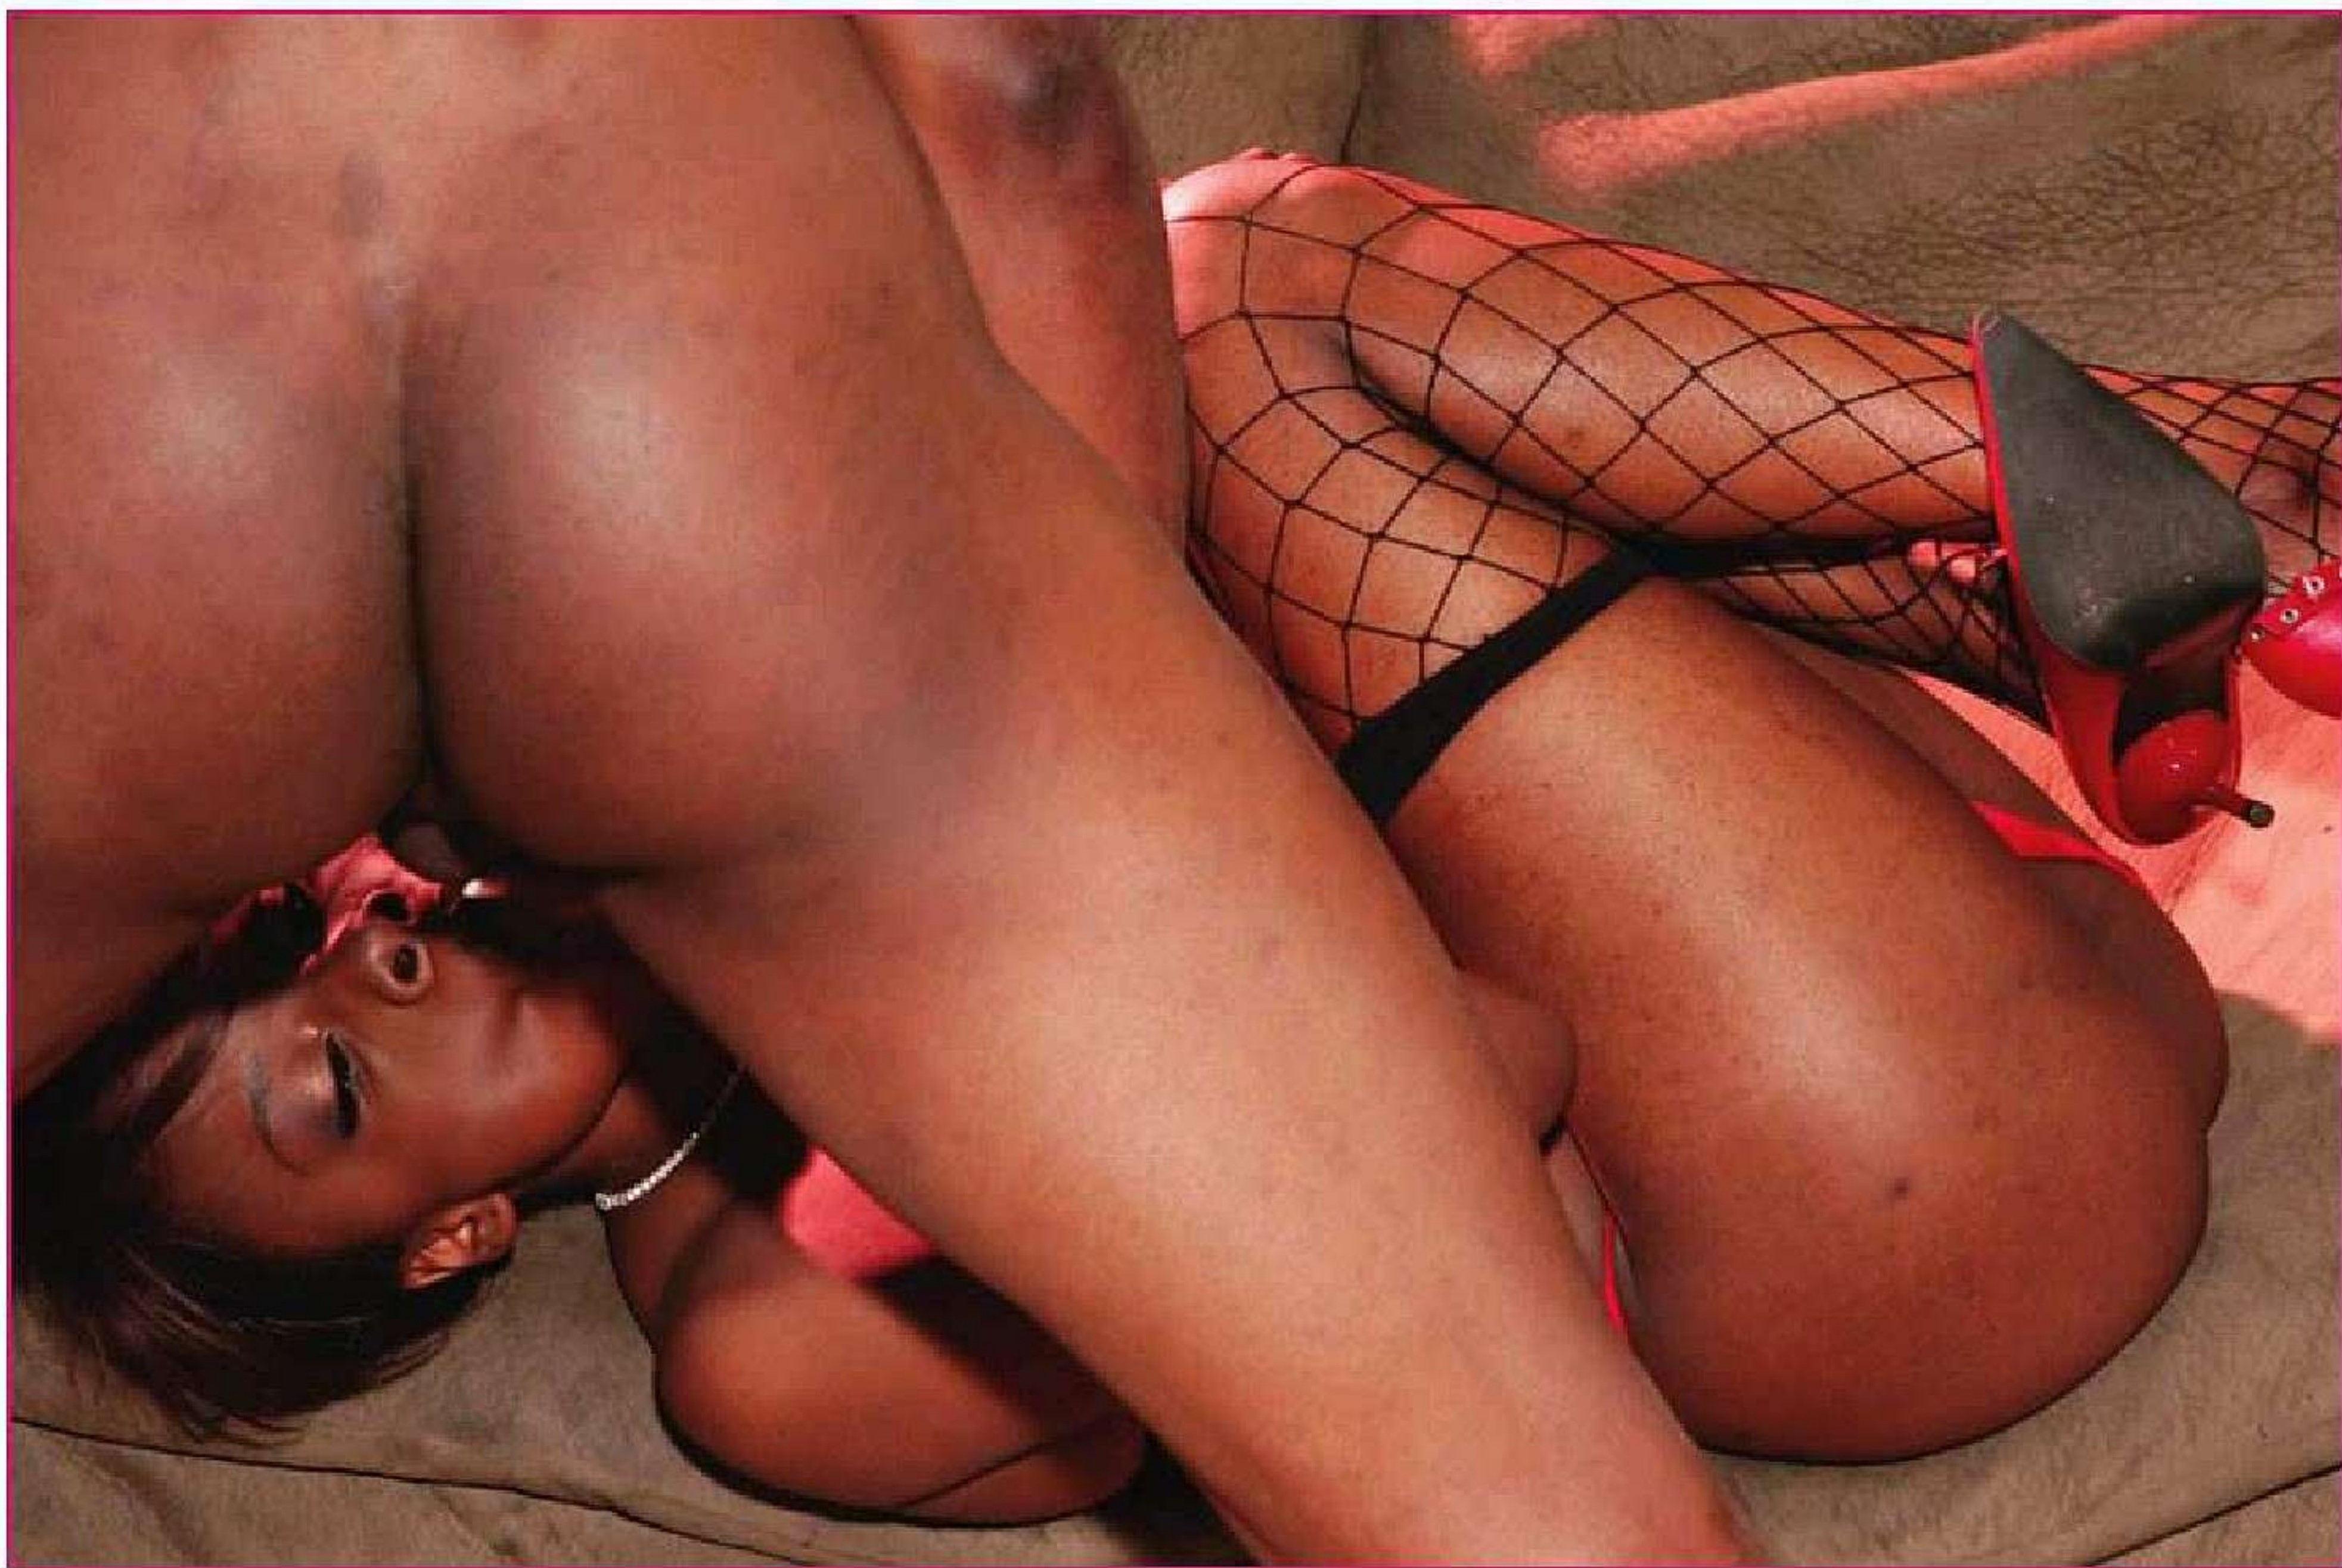

DANGER SLUT

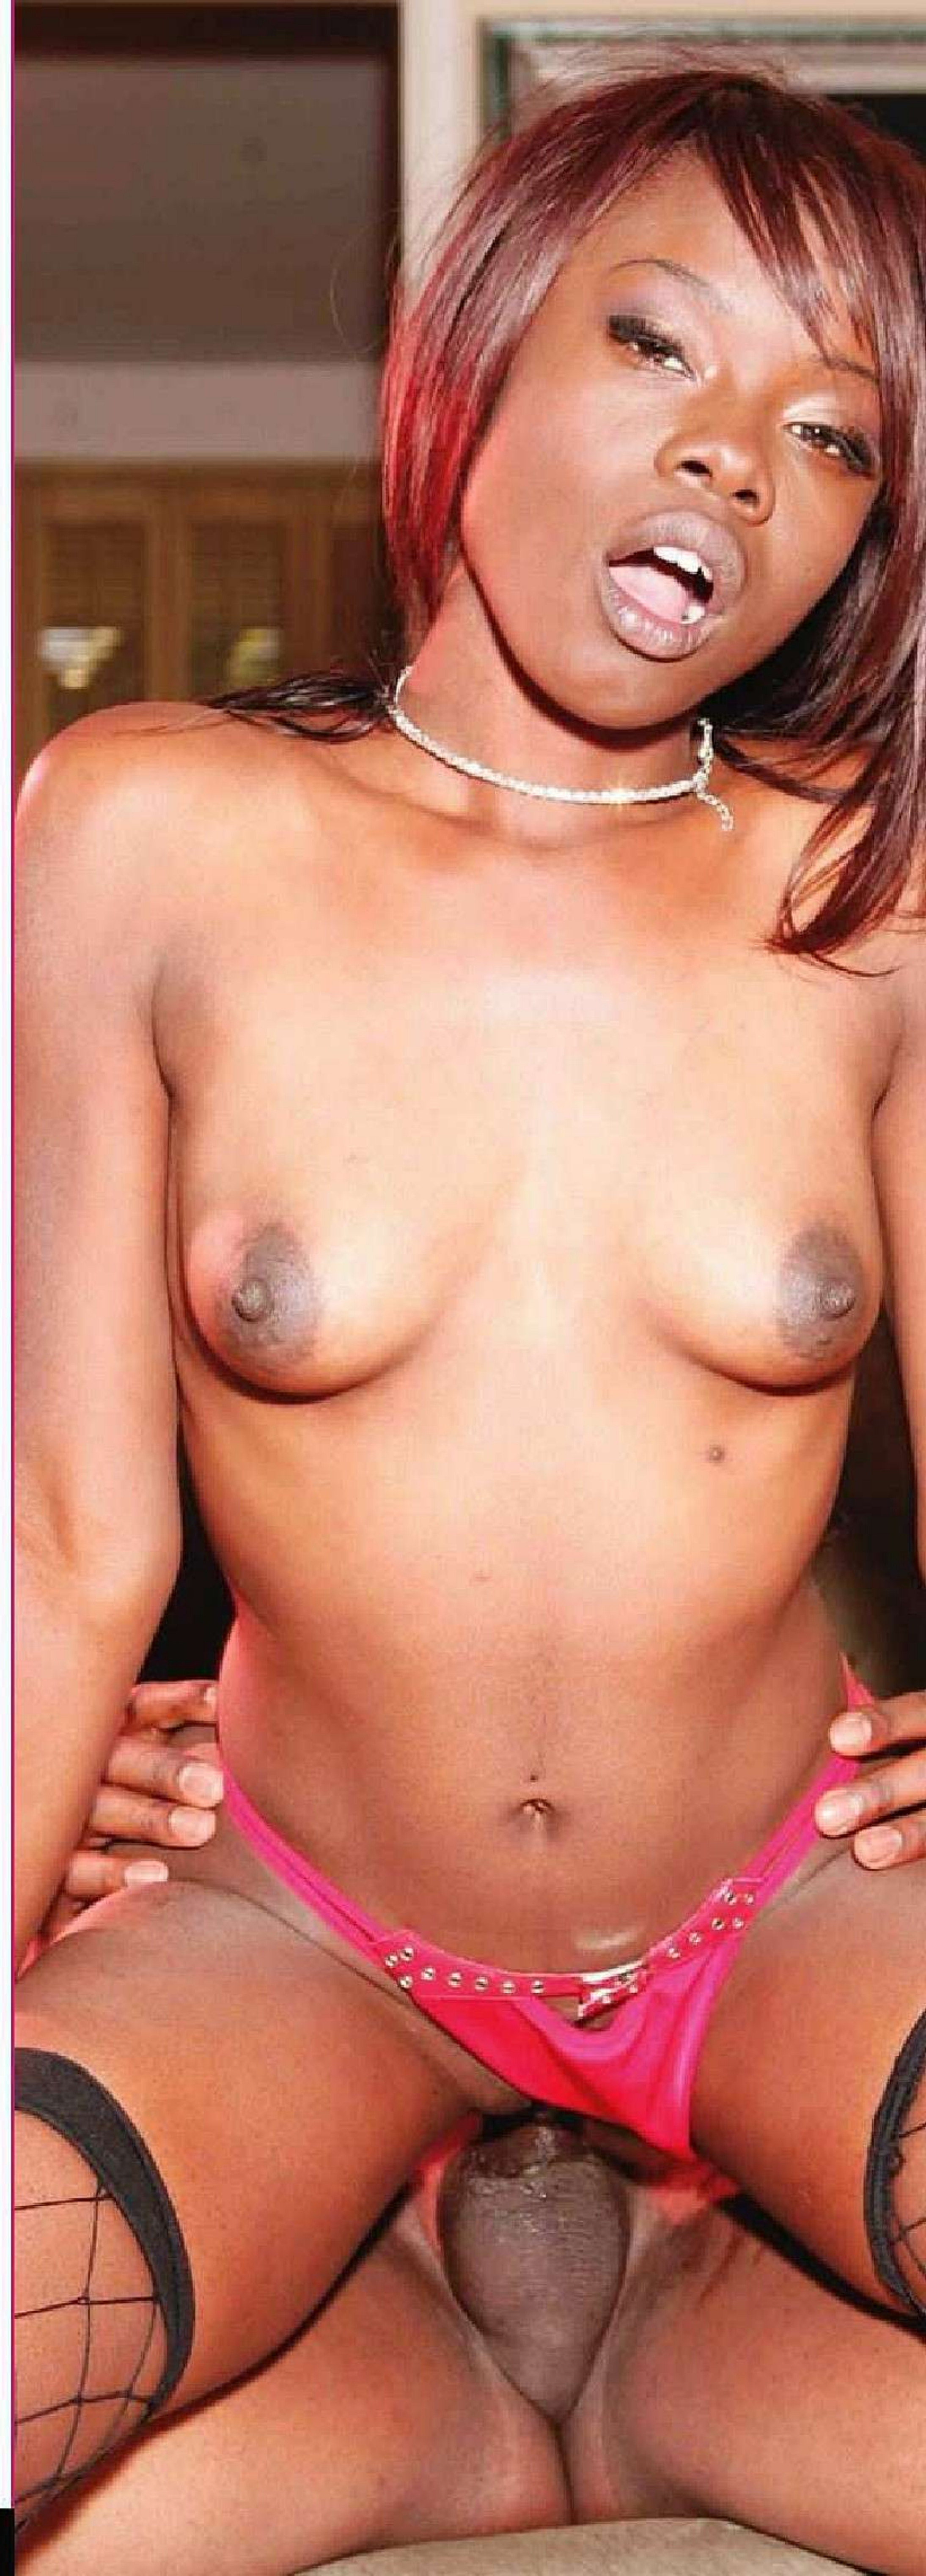

Ashley always knew she wanted to be a dancer, she just didn't know what kind. Ballroom wasn't really her thing, it was too classy, she didn't want to do anything contemporary or pop and she wasn't going to dance in a big group, so for the longest time, she thought she was going to have to forget about dance. Then her boyfriend suggested burlesque and strip dancing. Ashley loved clubs and loud music, and loved having guys fuck her with their eyes, so she went for it. As she soon learned, stripping in front of a room of sexy, sweaty men is a major turn-on and, her boyfriend still doesn't know this, she started inviting her favorite viewers to private shows after she gets off stage.

Ashley likes to show off her slutty stripper tricks when she's sucking a prick. She imagines it's her new stripper pole and soaks her panties.

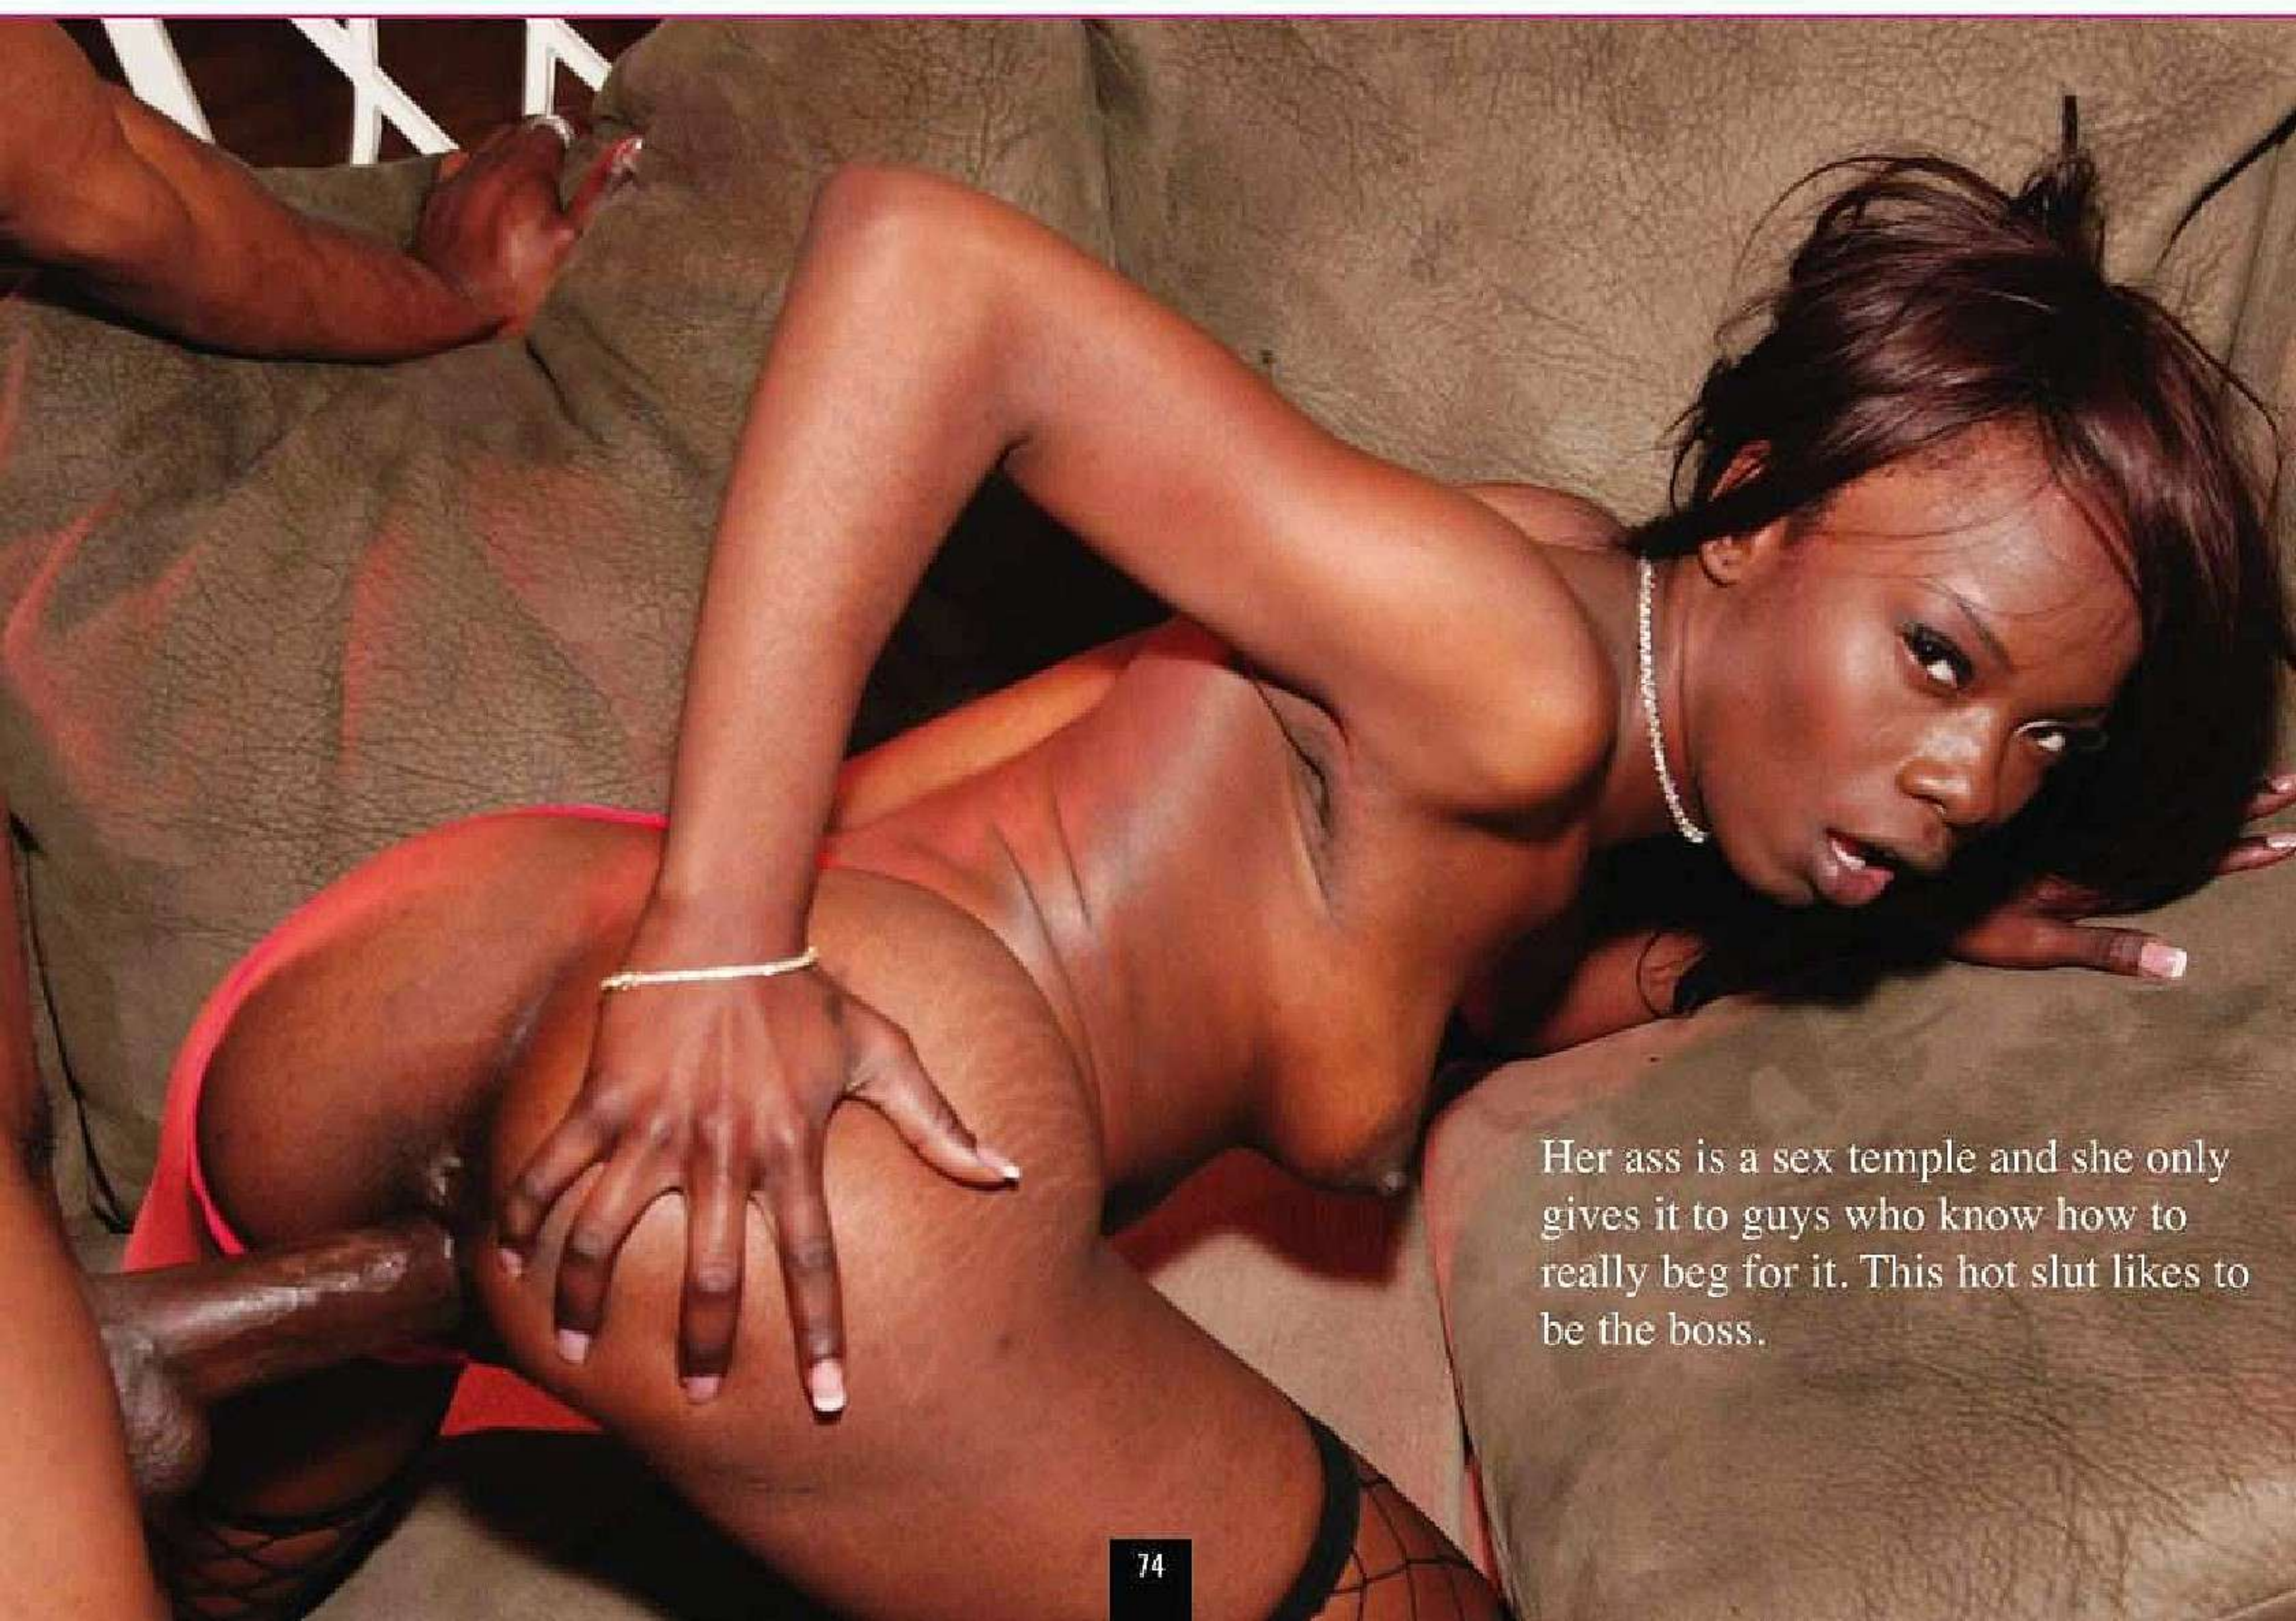

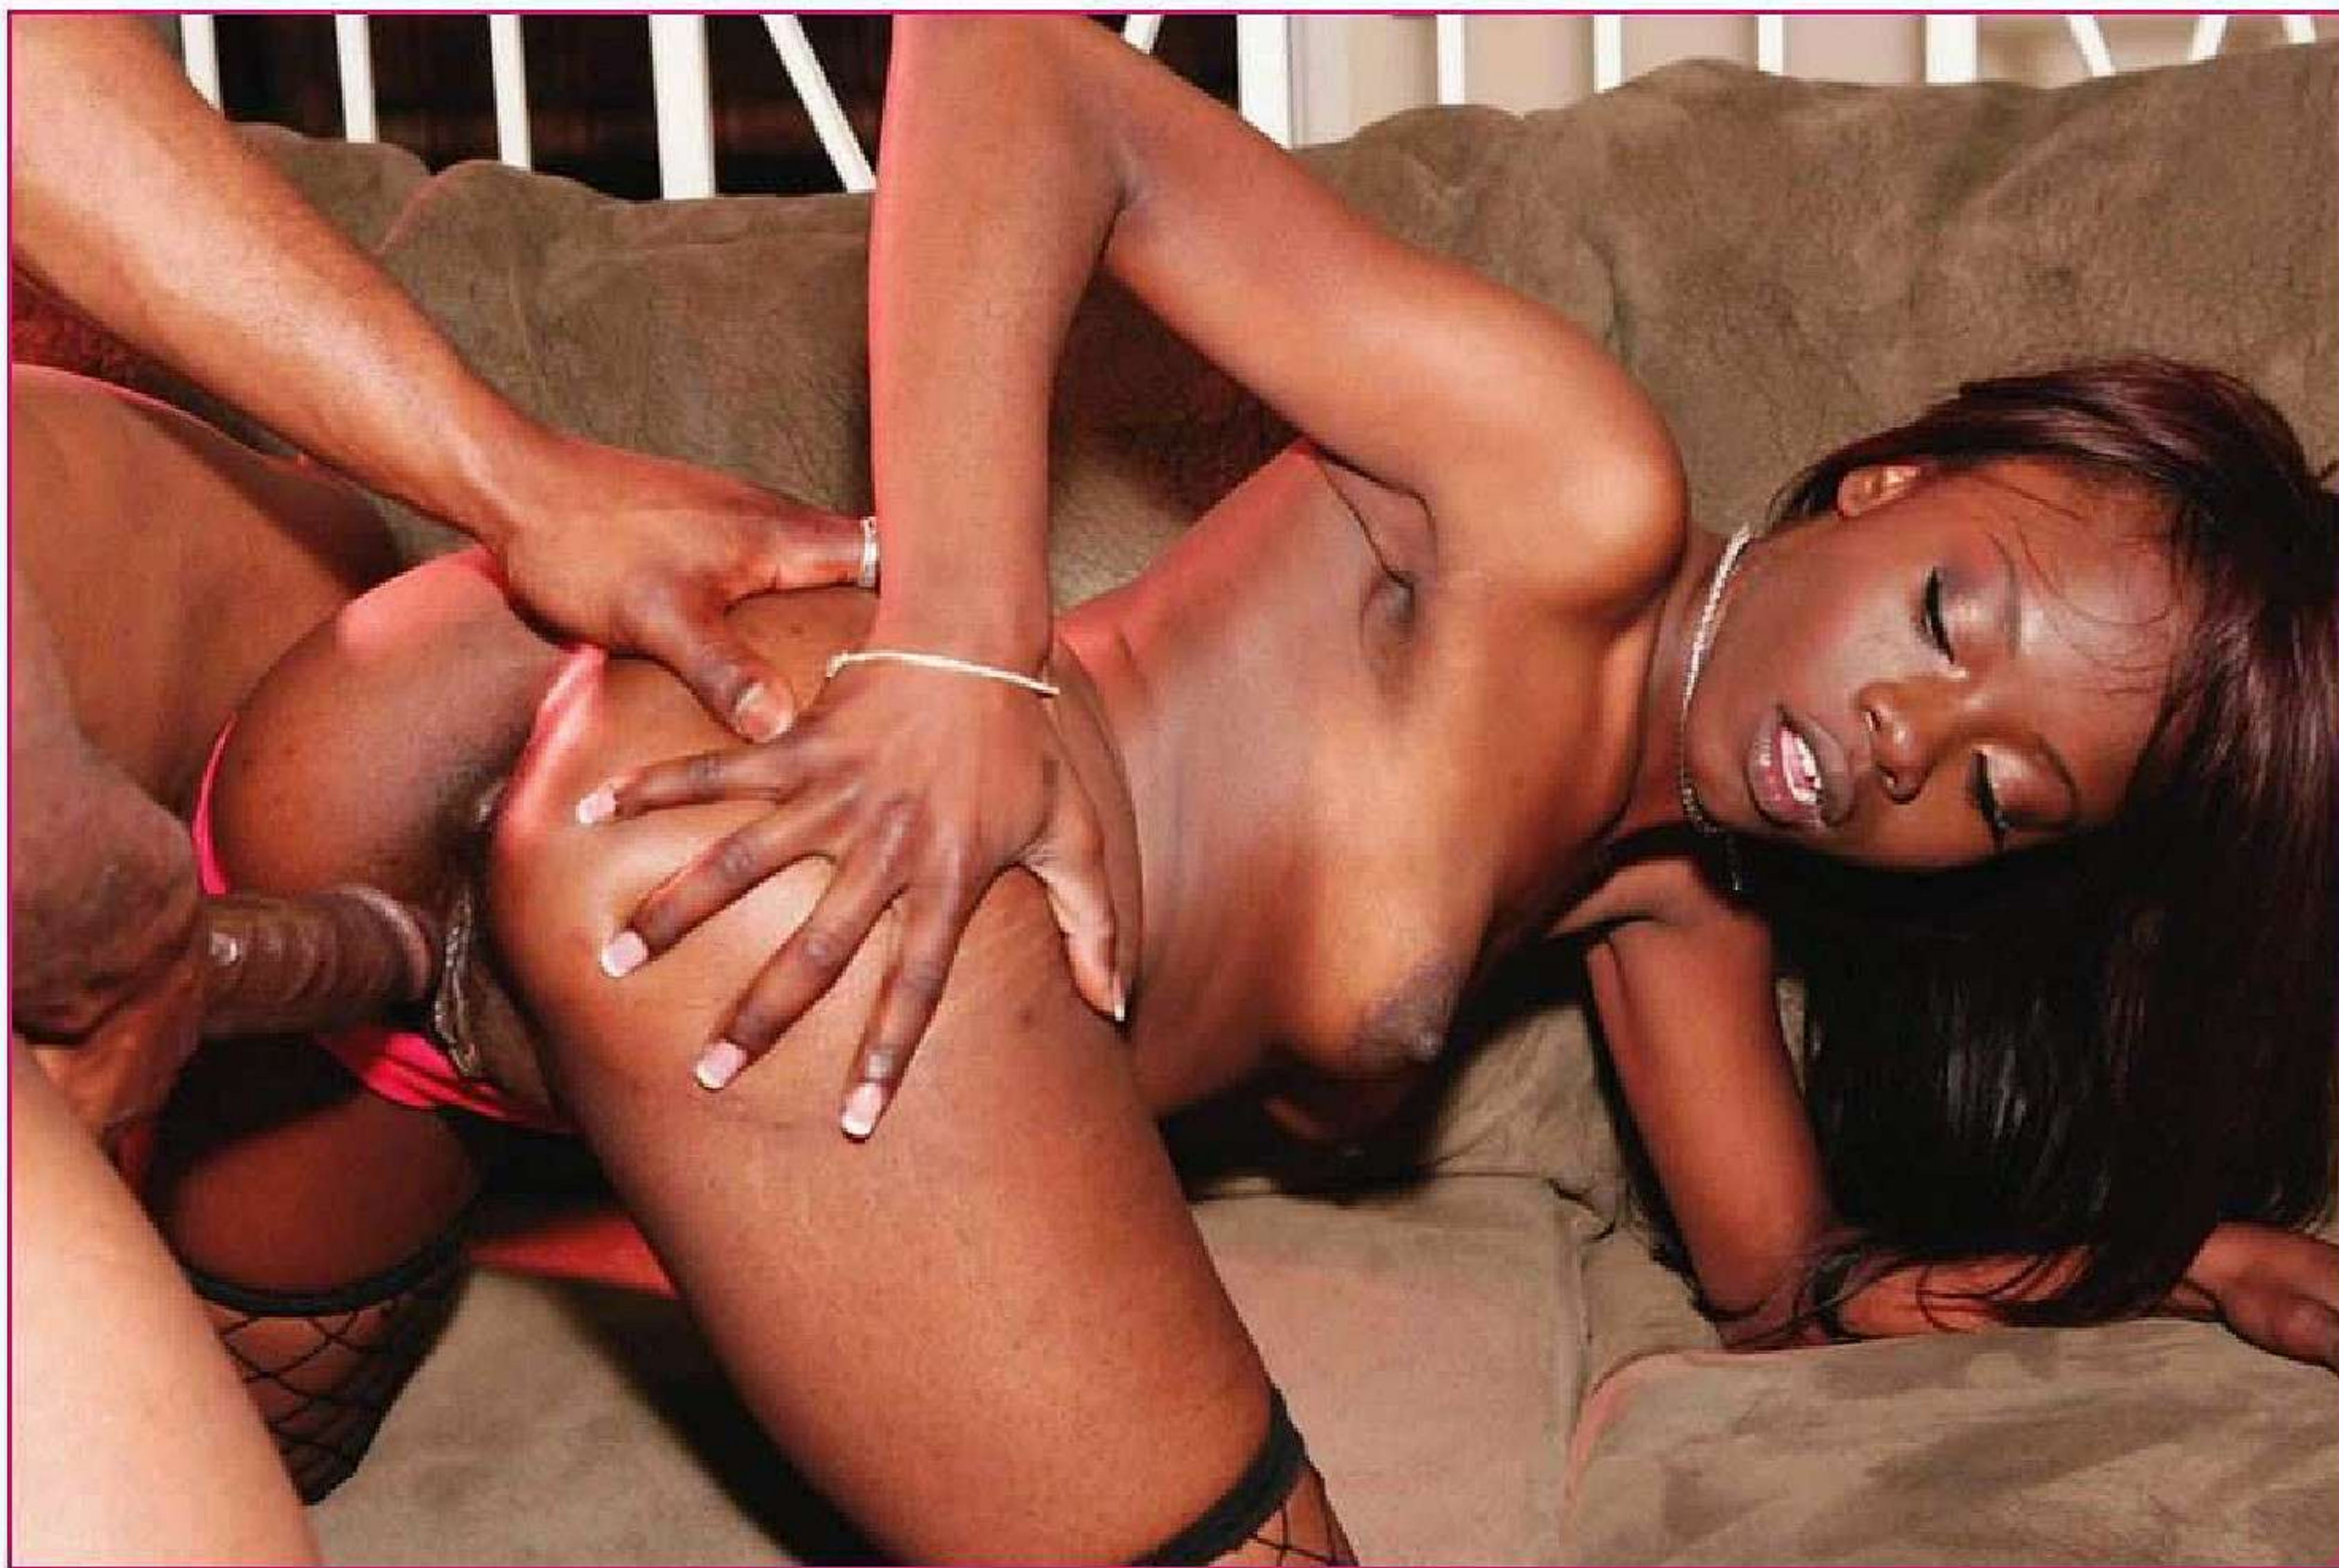

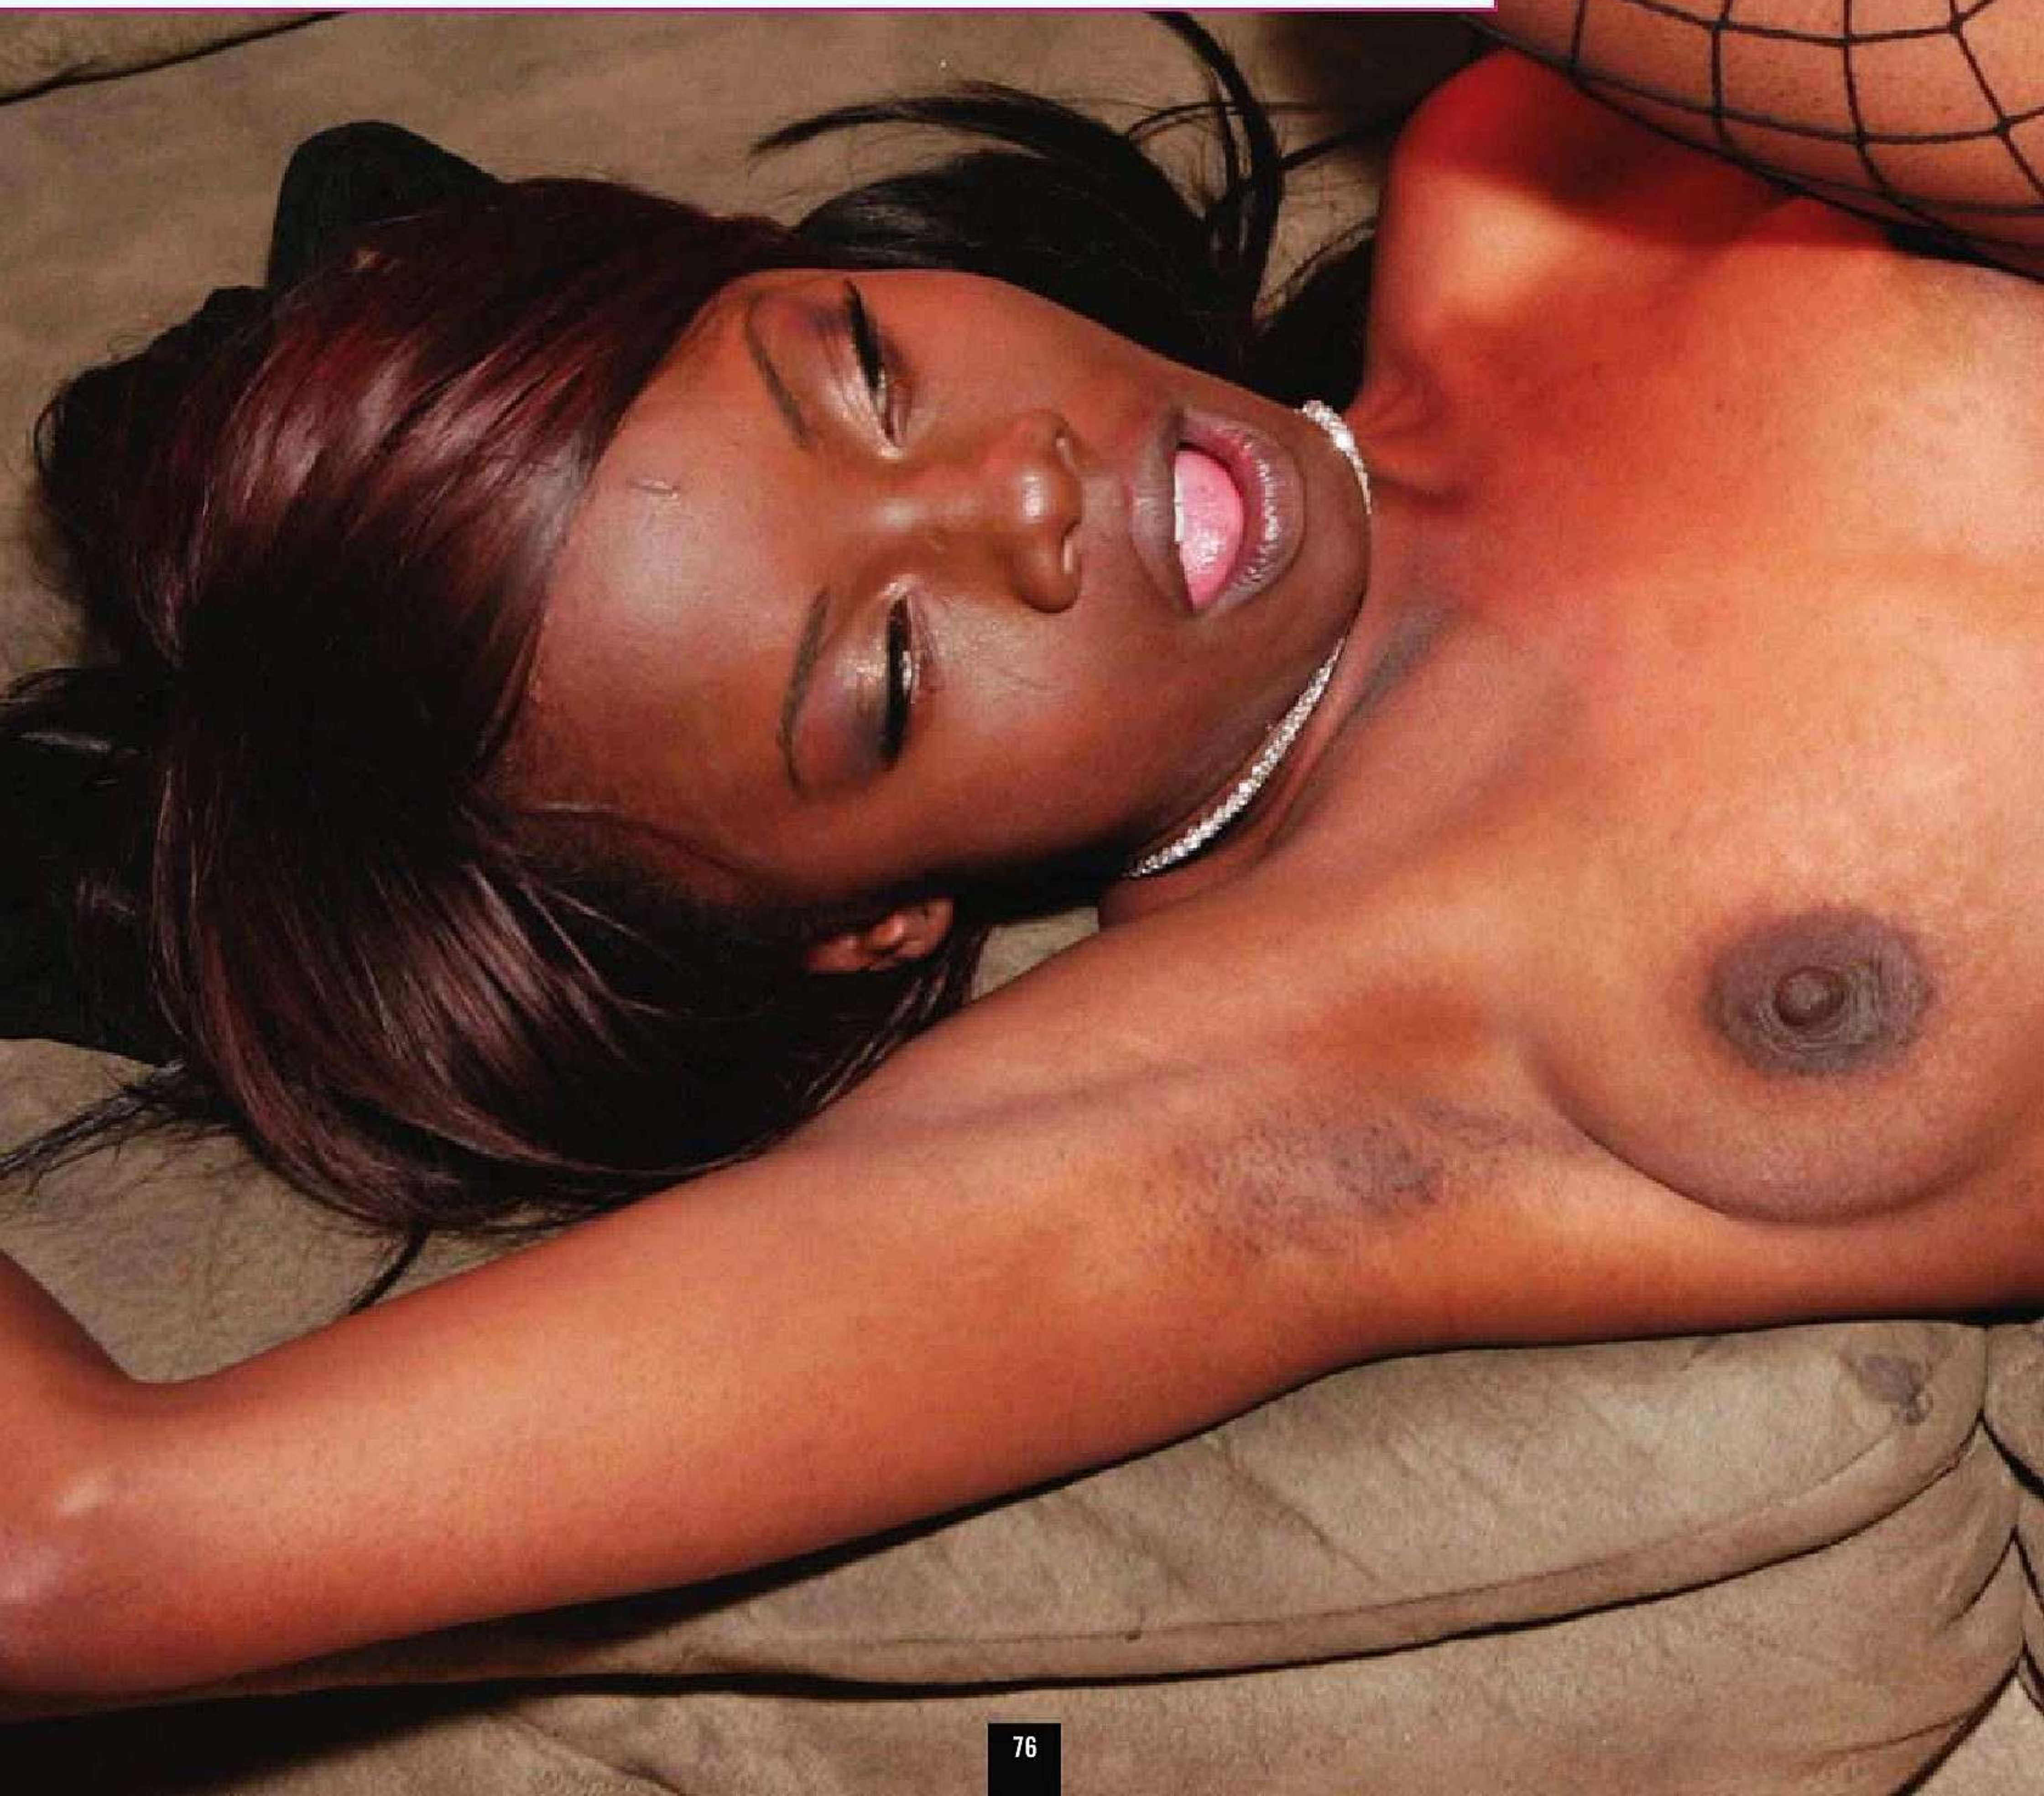

Stripping in front of a room of strange men makes Ashley so horny, she could hump for hours. She usually does.

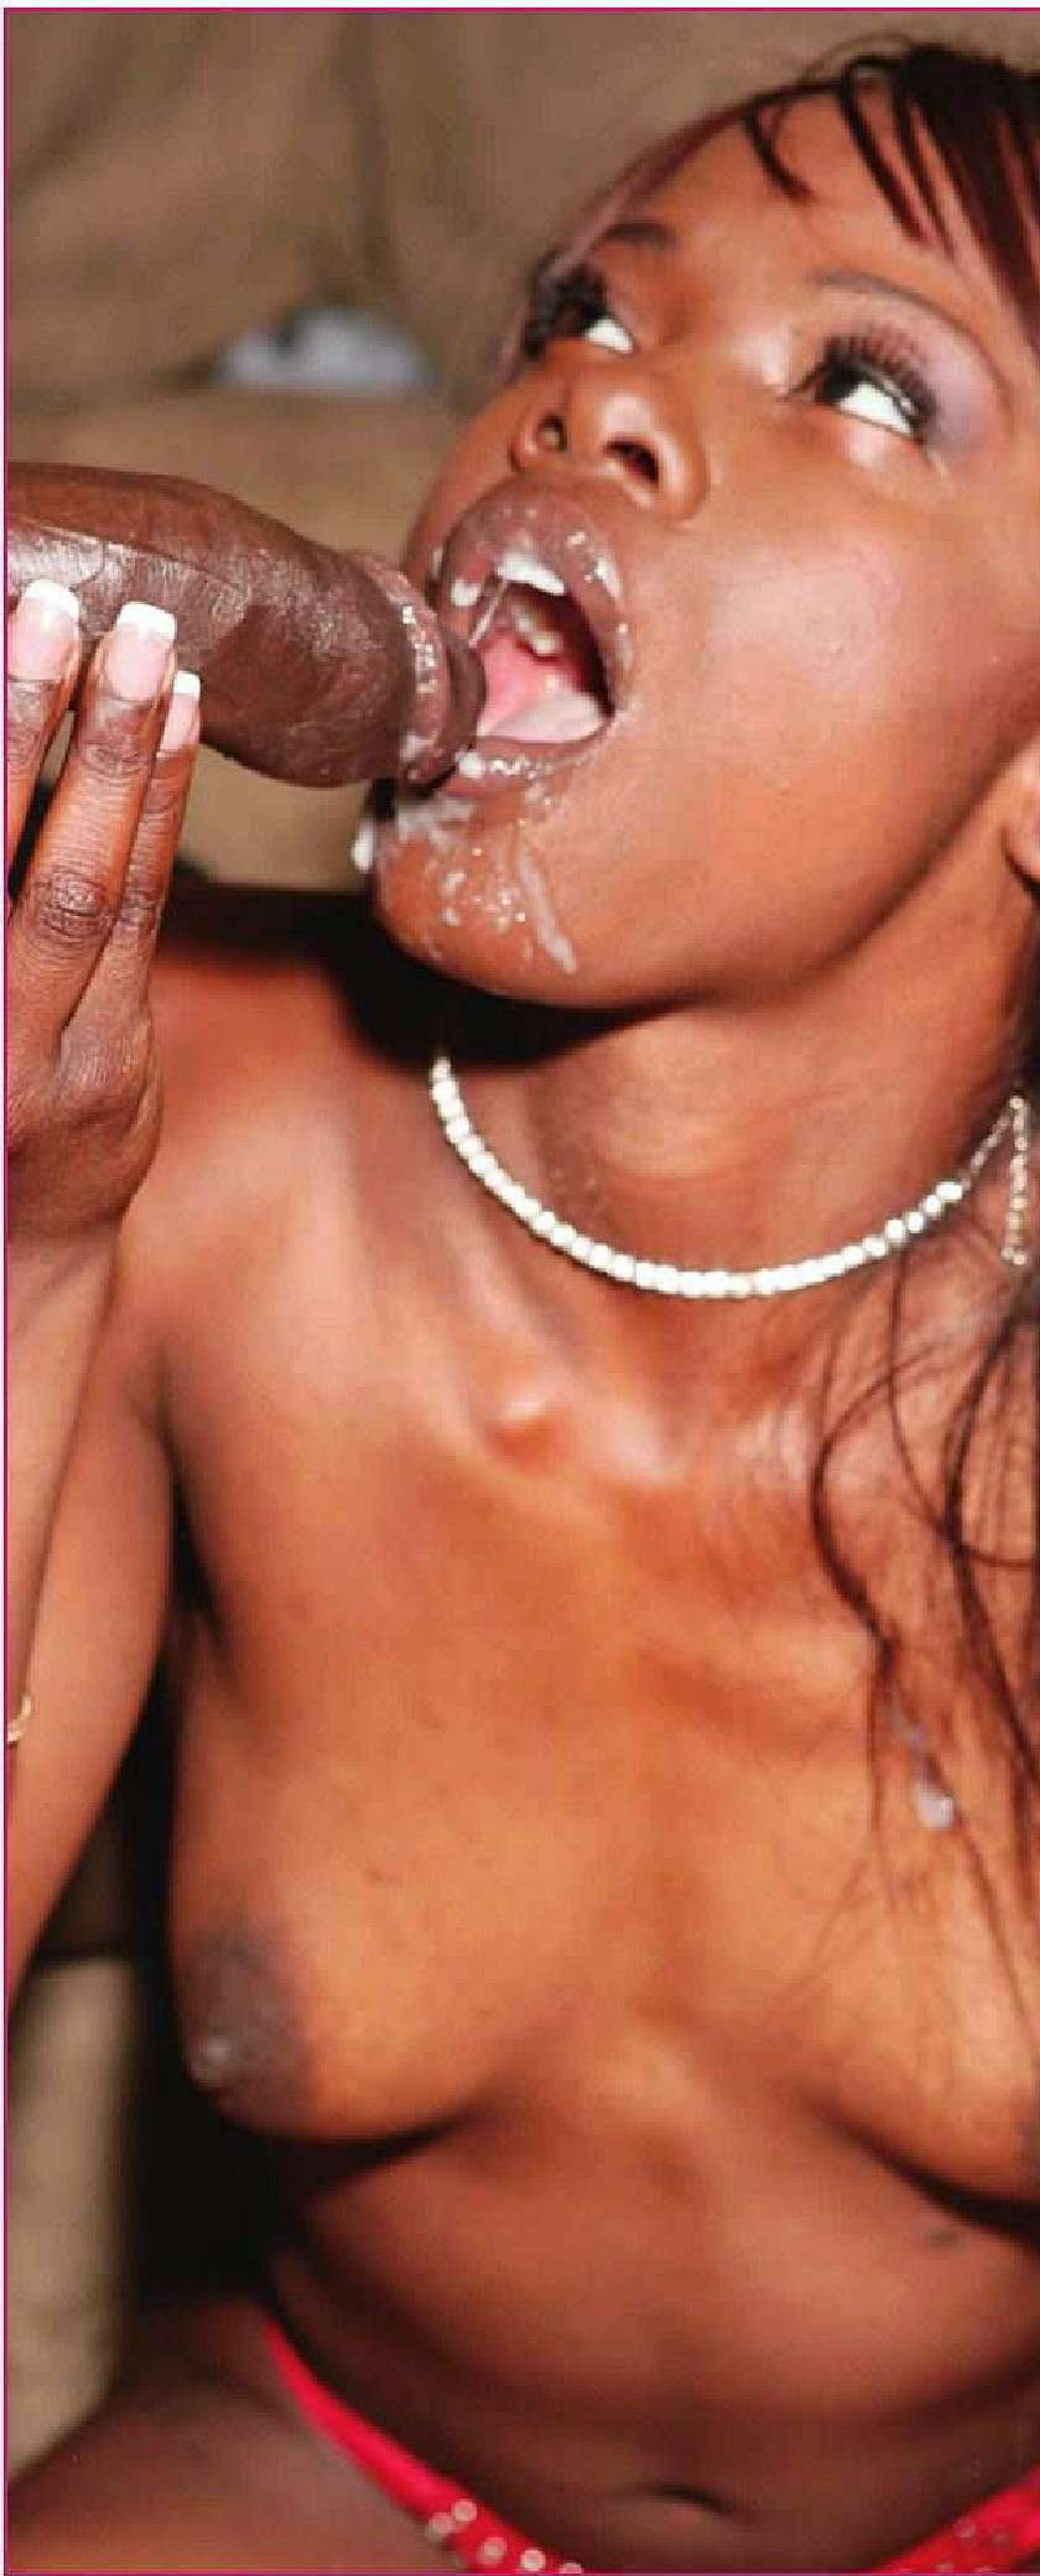

Her ass is a sex temple and she only gives it to guys who know how to really beg for it. This hot slut likes to be the boss.

She twists around a cock and
rides it like a stripper pole. She
doesn't stop until she's covered in
cum she can lick clean.

Ashley's always looking to put on a show. Can you be her next pole?

Sydnee & Victoria

TWO PUSSYS ARE BETTER THAN ONE

Going to an all-girls boarding school, then sharing a room in college, who can blame these two best friends for turning to each other in times of need? Having known each other forever, Sydnee and Victoria always felt comfortable sharing a bed, dressing together, showering together and soon - they were doing much more than that. Once their sex drives really kicked in, Sydnee and Victoria were unstoppable. They couldn't keep their hands off each other and whenever one wanted to try something new, the other was willing and ready to be fucked by her best friend. Days off and holidays meant entire days spent with each other, learning new ways to keep their pussys wet.

Victoria liked dominating Sydnee. She got sopping wet by ramming Sydnee's tight cunt and making her scream.

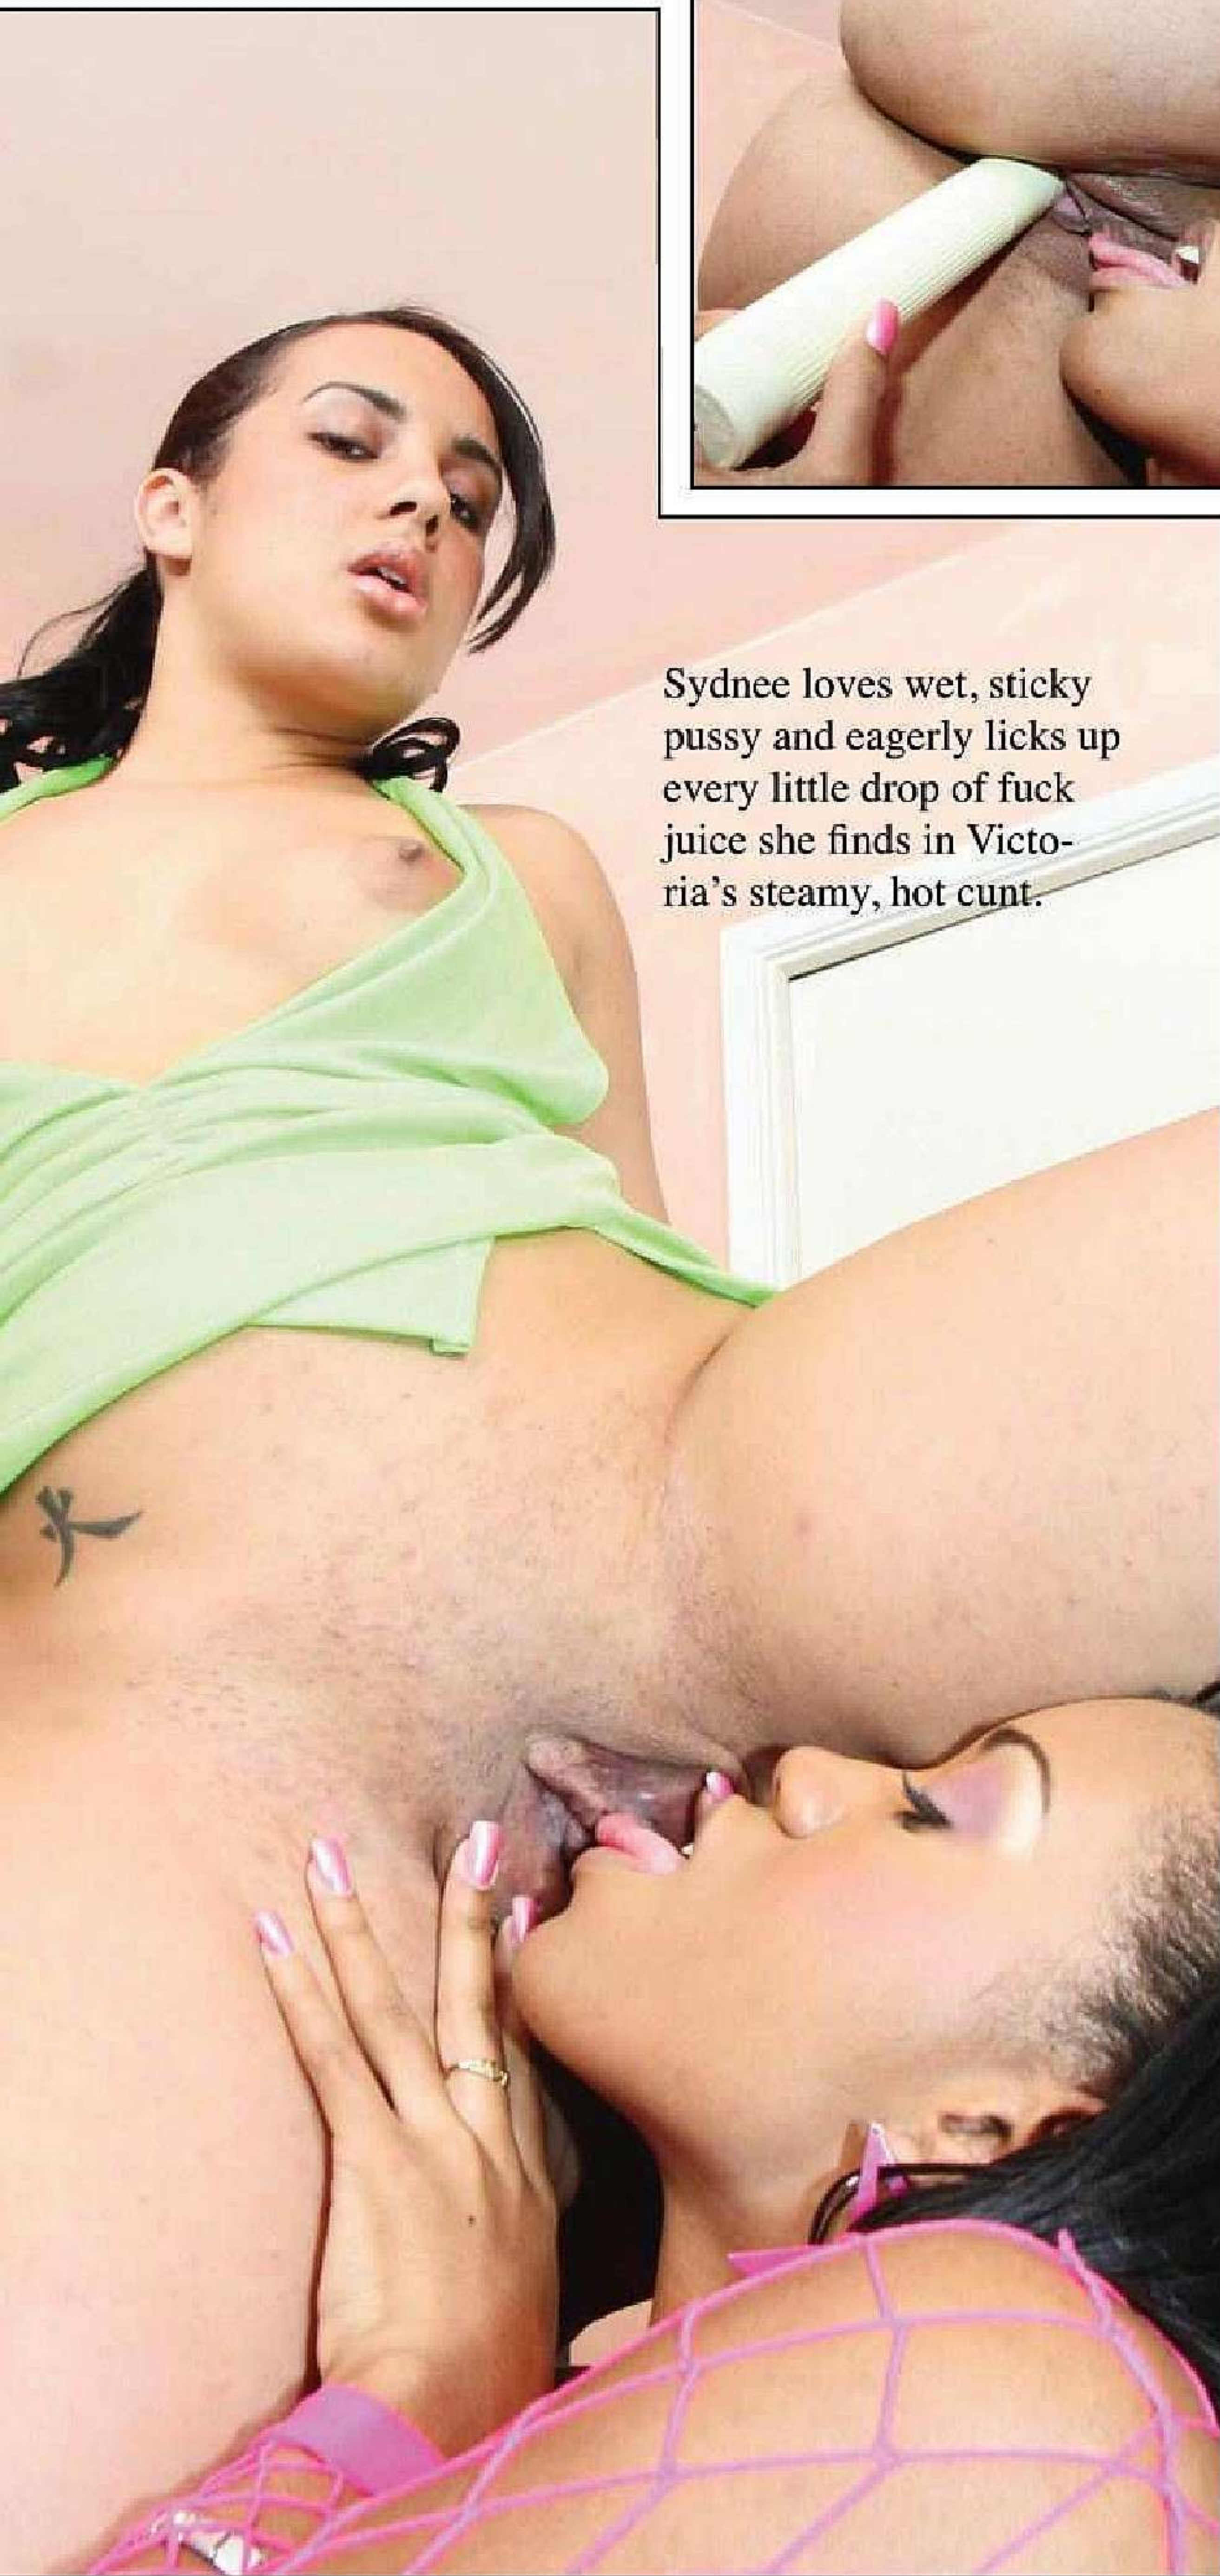

She put everything she found into Sydnee's slit and twisted it around like a pro, slowly grinding it in and out. No lube needed, she had her tongue for that.

Sydnee loves wet, sticky pussy and eagerly licks up every little drop of fuck juice she finds in Victoria's steamy, hot cunt.

The horny best friends
know how to make each
other cum and scream.
These are filthy sluts to
the core.

Victoria likes to put her tongue in as deep as possible. Then she wiggles it as if making out with Sydnee's delicious hole. She pulls on the pussy lips until Sydnee cums on her tongue.

Can you handle two wild,
horny pussys?

Words To Get You Off

GETTING A HEALTHY TAN

I'd been helping out at Mrs Jackson's pad for about a week, when she told me: "It's time you got a healthy tan, Dick. Wanna know how?"

I looked puzzled. I'd been doing odd jobs like fixing her ice box, improving the sound system for her fuckin' huge entertainment center, and looking over her security systems on her internet connexion.

See, I'm a whizz when it comes to things electronic. And since I work inside a lot, I don't get out in the sunshine much.

So I told Mrs Jackson: "Yeah, how, Mrs J? I don't get out in the fresh air much."

She smiled – fuck, she's pretty when she smiles. She's around 30, maybe 35, but she's got a cute blonde head of hair, in one of them page boy cuts, and she's nicely built for an older woman. I'm only 24, see, so to me she's quite old!

"Well," she said, "I'm going out by the pool this afternoon, I'm gonna wear one of my sexy bikinis. And you can get your back all nicely browned. Any clues, yet, Dick?"

I shook my head – I didn't know where she was heading.

She laughed. "Well, my bikini is so fuckin' sexy you'll want to lie on top of me, Dick. And while you're on top of me, well, your back's gonna get a bit of sun, eh?"

"Why will my back get a bit of sun, Mrs J?" I asked, because now I knew what she was aiming at. And fuck, it was exciting me!

"Because you're gonna be wearing a shirt, Dick," she said. "And you won't be wearin' shorts, either. Know why?"

Again I shook my head. "Because

you're gonna be fuckin me, Dick!" And that's when I started banging Mrs Jackson!

Well, I'd fixed her CD player, which was making popping noises when you played one of them quiet, smoochy-type tracks on it, and then she poked her head around the door of the entertainment center.

"I'm in my bikini, Dick," she said, "come on out poolside and don't wear any clothes. Then we can get started on that tan of yours!"

I finished up the CD player, though why she wanted it fixed, I didn't know. She could have bought a new one, what with all her money. Still, it was an expensive unit, so maybe there was method in her madness.

Then I stripped off my clothes in her big kitchen, and walked out into the sunshine. I was already erect – the idea of fuckin' Mrs Jackson was really turning me on!

She was on the far side of the pool, on her back on one of them padded sun lounge things, and she was wearing an itty-bitsy little pink bikini. As soon as I got to the side of her lounge, I could see what a fantastic tan she had – and that her bikini so even more fuckin' sexy than she'd reckoned!

For starters, the pink top had holes cut in the middle parts of the cups, and through them her big, brown nipples were poking, just asking to be sucked! And then I saw the crotch of her tiny little pink panties – and fuck me if there wasn't a hole cut there, so you could see her shiny, slippery, hairless pussy! That was just asking to be sucked, too!

She looked up at me with these big, wrap-around sunglasses and smiled: "Well, that's what I call a welcoming cock, Dick! Nice piece of meat. Now, before you get started on that tan for your back and your butt, how's about licking my little ole pussy and getting' it nice and wet?"

Hell, what an invitation! And one that I couldn't refuse! So I went down on my knees on the hot tiles by the poolside, and placed my mouth against her labia. She tasted superb, and then I licked her between her thick, lush lips, before lapping at her cunt. That was wetter than her labia, but tasted just as great.

Then, when she'd moaned "Now you can fuck me, Dick!" I climbed up on her lounge and pointed my thick cock head to her outer cunt lips. Her hands grasped my buttocks And with a smooth dragging pull, she guided me deep into her vagina. Shoot, she was smooth!

I planted a big, smoochy, hot wet kiss on her mouth and she grinned

Which was just as well, because I was so excited about fuckin' Mrs Jackson, that I couldn't hold back too long, and soon I was shooting jizz high up her cunt. She didn't seem to mind that she didn't have her climax, because she gave me a hot kiss at the end and said: "Now back to work, Dick!"

I worked naked and when I'd fixed some electronic clock on her bedside table, I walked back outside. Mrs Jackson wasn't wearing her bikini now, and she let me lick her tits and pussy, before she lay be on my back on her lounge and sat on my face, writhing and wriggling away until she'd had a noisy cum on me mouth.

After that, she pulled off me and sat

at me. "There, Dick, is that a great way to a get a fuckin' tan, or is it a great way?"

I kissed her again, feeling her tight cunny gripping around my shaft and pulling my foreskin back down to the ring – and it was a feeling that excited me! – and told her: "You've got a great way of helping me get a tan, Mrs J." And then I concentrated on fuckin' her and not cummin' too darn soon!

But she didn't give a fuck about that. "Come on, Dick, you can cum when you like," she said. "Then you can get back to whatever you've got to fix next. Then we'll work on the next part of your tan after lunch!"

down on my erection and humped herself up and down on my stiffness, before she managed another climax. Then, I came, too.

I'm getting a pretty good tan, now, thanks to fuckin' Mrs Jackson outside by the pool. Sometimes, when it's raining, we fuck in her bedroom. Which is fine by me – I'm not all that fussed 'bout getting' a tan. Fuckin' Mrs Jackson, though, that's another story!
